In Encamp, up to Cortals Encamp, just after the unification of the river les Pardines with the Agols River, is a land of about 5674 m<sup>2</sup> to buy. This area already has the partial plan approved, ready to build. The land, with around 3688 m<sup>2</sup> building, is divided into 19 plots. These plots are perfect to urbanize or build comfortable houses. This land has easy access that facilitate communication of the property and allow the construction to be carried out comfortably. Enveloped by nature, this land has a wonderful position from which unbeatable views of the valley of Encamp are presented. With a west facing, the property receives sun all day, perfect for future residences be attributed with an unparalleled comfort.
